Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- On Schedule H4, your allocated activity or event year-to-date total calculations for Administrative category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals. (11 CFR §§104.10(b)(2) and 104.17(b)(1)(ii))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
